UPS Store is the latest retailer at The Village at Pacific Highlands Ranch.

UPS Store opens in Pacific Highlands Ranch

The Village at Pacific Highlands Ranch continues its expansion with the new addition of a UPS store, which opened its doors in August. The business is located next to the Verizon Store.

The addition helps to further the Village's aim to be a one-stop shop for the community. The UPS Store will officially open on Sept. 16 offering packing and shipping, mailing supplies, personal and business mailboxes, printing, shredding, notary services and passport photos.

The store is located at 5965 Village Way. For more information, call (858) 925-7286 or email store7166@theupsstore.com. — *Karen Billing*
