In the works: a library for Pacific Highlands Ranch

In 2022, the city celebrated the groundbreaking of the new Pacific Highlands Ranch Library. The \$27.6 million, 18,000 square-foot library will be built on a three-acre site in the heart of PHR, at the back of the Village shopping center. The library will feature reading nooks for all ages, a children's area for storytime and crafts, free access to computers and internet, an outdoor reading patio, study rooms, a maker's space, a community room and an outdoor civic space linking to the Village at Pacific Highlands Ranch's public promenade.
